

## **Nominations for PES Outstanding Engineer and PES Outstanding Young Engineer Award**

IEEE PES Sri Lanka Chapter is herewith calling nominations for the above awards. This award is offered to recognize professional accomplishments and contributions to the local chapter, section, etc. Please note that the nominee **must be both an IEEE and PES member.**

### **The IEEE PES Outstanding Engineer (2016)**

The IEEE PES Outstanding Engineer Award program allows each PES Chapter the opportunity to recognize the outstanding contribution of local engineers to the power engineering profession.

Please send the nomination form and a brief account of the nominee's contribution (see next page) as in the format specified below to Dr. Lidula Widanagama Arachchige <lidula@gmail.com>, Secretary, IEEE PES Sri Lanka Section on or before 15 August, 2016.

### **The IEEE PES Outstanding Young Engineer (2017)**

This award is offered to recognize engineers 35 years of age or under "for outstanding contributions in the leadership of technical society activities including local and/or transnational PES and other technical societies, leadership in community and humanitarian activities, and evidence of technical competence through significant engineering achievements." Please follow the following weblink for more information: <http://www.ieee-pes.org/outstanding-young-engineer-award>.

Please send your applications in the format given in the above webpage to reach Dr. Lidula Widanagama Arachchige <lidula@gmail.com>, Secretary, IEEE PES Sri Lanka Section on or before 15 December, 2016.
